European Directive 2011/65/EU (RoHS 2) "Restriction of the use of certain hazardous substances in electrical and electronic equipment (EEE)"

The following is valid for products supplied by CUBIC to be used in EEE which is within the scope of directive 2011/65/EU:

CUBIC hereby confirms that through signed Agreements on Co-operations with our suppliers we make sure that the content of restricted substances listed in the Annex II of Directive 2011/65/EU, including the changes to this annex as amended in Delegated Directive 2015/863/EU, is within the permitted level for materials and parts supplied to CUBIC.

We therefore confirm to our best knowledge that the content of restricted substances listed in Annex II of Directive 2011/65/EU is within the permitted level for the CUBIC range of products:

- Modular system for switchboards
- Standard and Customized enclosures
- CPS25
- Flexible copper busbars – Cu-flex

For questions in relation to the above, please contact the undersigned.

Sincerely
CUBIC
