

Declaration of Conformity

Hereby we certify, that KNIPEX tools are manufactured conforming to valid German and International Standards and directives, especially conforming to those standards mentioned in our general catalogue and on our homepage in conjunction with our products.

KNIPEX operates

- a certified Quality Management System according to ISO 9001: 2015
- a certified Environmental Management System acc. to ISO 14001: 2015
- a certified Energy Management System according to ISO 50001: 2011

Tests of those tools follow written procedures that are managed and maintained within the KNIPEX Quality Assurance System, which is certified in accordance with **DIN EN ISO9001:2015** by the German certifying body DQS.

The Quality Assurance System is audited every year by DQS and by the VDE.

The KNIPEX Company at Wuppertal, Germany is qualified as a certified production plant for Insulated Tools in accordance with IEC 60900.

Best regards

Mit freundlichen Grüßen
