

Supplier's Declaration for articles / article parts not affected by REACH

REACH and Substances of Very High Concern (SVHC), regulation (EC) No. 1907/2006

According to article 33 of the EU REACH Regulation customers have the right to know whether the articles they purchase contain any chemicals from the REACH candidate list. The candidate list contains the substances, which are subject to the information obligation. **Without this information, the articles cannot be placed on the market within the EU.**

This declaration may be used if none of the chemicals in question are present in any of the products We as Heatcom Corporation A/S supplies to **Solar A/S** or a company connected to the before mentioned. Alternatively. Use the "Supplier Declaration for Articles" to declare content of the chemicals in question.

1. THE DECLARATION	
<p>We, the company noted below, declare that none* of the products, articles, or parts thereof which we supply to Solar A/S contain SVHC from the latest updated candidate list at a concentration above 0.1% (w/w). This is also including the packaging used for said products or articles which in itself is an article.</p> <p>We also undertake to keep this data up to date and continuously monitor the REACH candidate list and react when the list is amended, which happens twice a year.
