RE: Response to Request for Information on Products

Dear Valued 3M Customer,

This letter is in response to your request for information regarding the following 3M product(s):

Please see annex I in this document to see full product list

Due to the wide variety of requests we receive, 3M Company provides letters such as this in response to requests for regulatory information.

On behalf of 3M Nordics, the following information applies to the above-listed products:

- For the listed product(s), the following chemicals are either intentionally added or not intentionally added. In addition, for the listed product(s), to the best of our knowledge, the following chemicals are not present at or above the stated threshold level.

Chemical or chemical category	Intentionally added (Y/N)
<i>Asbestos</i>	N

The information provided in this letter related to material content represents 3M Nordic's knowledge and belief as of the date it is provided, which may be based in whole or in part on information provided by suppliers to 3M.

In the event any Product is proven not to conform with 3M's certification, then to the extent permitted by law, 3M's entire liability and Buyer's exclusive remedy, will be at 3M's option either: (i) replacement of Product with a conforming product, or (ii) refund of the purchase price paid by Buyer for each non-conforming Product, within a reasonable time after written notification of said non-conformance and return of said Product to 3M. 3M shall not under any circumstances be liable for direct, incidental, special, or consequential damages (including but not limited to loss of profits, revenue, or business) related to or arising out of this certification, including, the use, misuse or inability to use the Product. Unless stated otherwise in writing, the foregoing language cannot be waived, modified, or supplemented in any manner whatsoever.

I trust the above information is responsive to your request.
